LANDSCAPE CONTRACTORS

Conditions of Sale

Orders are Accepted Subject to prior sale, and to condition of stock at delivery date, under the following terms:

Goods in Transit—All goods are at purchaser's risk after they are delivered to the forwarding companies and we receive their receipt for the shipment made in good condition.

Claims must be made within **five days** after receipt of goods.

Prices in this catalogue cancel all previous lists and quotations, are subject to change without notice and they are F.O.B. our nurseries, packing extra. The price columns indicate the unit price for each plant. The **ten** rate applies to purchases of 5 to 24 plants of same size and variety. The **hundred** rate applies to purchases of 25 or more plants of same size and variety.

Terms Cash—For customers of established credit accounts will be opened due in 30 days from date of invoice. Interest at six per cent. (6%) per year will be charged on all accounts from due date. Orders for C.O.D. shipment must be accompanied by one-third of the amount.

Special Selection—Plant materials specially selected at the nursery will be sold at prices commensurate with the value of the specimens chosen, irrespective of the listed prices.

Ball and Burlap—The specification "B&B" in this list signifies digging with a ball of earth, which, where indicated, is included in the price. For digging all other items (not specified B&B) in this manner, there is an additional charge based upon the dimensions of the earth ball as follows:

9" diam.	\$.35	21" diam.	\$2.75	42" diam.	\$13.00
12" diam.50	24" diam.	\$4.00	48" diam.	17.50
15" diam.	1.00	30" diam.	6.00	54" diam.	24.00
18" diam.	1.75	36" diam.	9.00	60" diam.	32.50

Platforms, as part of our equipment, are to be returned.

SCHEDULE OF DELIVERY CHARGES

1 to 15 miles	\$ 3.00
16 to 30 miles	5.00
31 to 50 miles	7.50
51 to 75 miles	10.00
76 to 100 miles	15.00
101 to 125 miles	20.00
126 to 150 miles	25.00
151 to 175 miles	30.00

Deliveries: During the planting seasons our trucks frequently pass most points within a radius of twenty miles from Johnstown. Deliveries will be made at no additional charge within this radius when they may be incorporated on our regular trips. There will be a charge for special delivery service, and long distance truck delivery can be arranged at actual cost.

Guarantee

If nursery stock purchased from us at list prices has been given proper care after planting, we will replace any that dies from natural causes within one year from date of delivery, **provided the account has been paid in full. On all replacements, delivery and planting costs are borne by the customer.** This guarantee does not cover losses from drought, severe winters, storms, insect injury, disease or other factors beyond our control. We do not guarantee stock transplanted on customer's property nor will we be responsible at any time for more than the original purchase price.

VISITORS are welcome at all times. You are cordially invited to inspect our fine collection of hardy plant materials. Our nursery is open on Sundays throughout the Spring and Fall seasons. Salesmen are available to furnish information relative to the selection, care and use of plants. No salesmen are maintained at our branch nurseries. No orders are filled on Sunday.

PLANTING: Experienced planting foremen and plantsmen can be furnished. The cost of this service is low, considering the satisfaction derived from knowing that your plants have been given the right start.

SALESMEN: We do not employ agents nor do we authorize dealers to use our name. Our salesman will present our card when calling on you.

DECIDUOUS AND EVERGREEN TREES SHRUBS AND VINES

We recommend that certain plants be lifted with a ball of earth and burlapped. Experience has shown that the loss in these plants is reduced to a minimum if handled in this way. This will involve extra charges where varieties are marked with an asterisk.

The figures following the name of each plant indicate the approximate height at maturity, which varies according to soil, climate and other factors.
